From: Immediate Past Commandant, Tim Eichhorn

Subj: Notice of Officer slate and elections for 2023

As the immediate past commandant it is my responsibility to provide a slate of officer nominations for all elected billets. Those billets include:

- Commandant
- Senior Vice Commandant
- Junior Vice Commandant
- Judge Advocate General
- Paymaster

(The role of adjutant is appointed by the elected commandant. It is not elected.)

In order to conduct a fair and transparent process we begin early and will follow this schedule:

- September through October 31, 2022 Nominations from individual members for themselves or for someone else are being accepted. Please email me at: Admin@MCLKnoxville.org. If you wish to receive a telephone call back, include your phone number. During this same period I am polling the current elected billet holders as to their intentions to run for re-election in their current billet. If you nominate someone else for an office please know that it is my responsibility to confirm with that Marine their willingness to serve if elected.
- November 2022 Regular Officers Meeting - tentative slate presented to paymaster to confirm all nominees in good standing
- November Detachment meeting - tentative slate presented to membership along with the candidate bio/introductions.
- January 2023 Detachment Meeting - elections for offices held. The floor will be open for nominations to be added to the slate prior to each office's vote. Following the election, the installation of 2023 Officers will take place.

Look hard and decide where you can serve - you are needed. Many hands make light work!

Regards and Semper Fidelis,
Tim Eichhorn
