

Commandant's Corner

July 21, 2023

The 20th Annual Mud Run is getting close! Sr Vice Commandant Keith Kregel is doing a great job - but needs all of our help. The volunteer forms need to be submitted ASAP - especially if you want one of those really cool T-shirts! Get the forms to me at a meeting, email, or snail mail. Let's all pitch in and make this the biggest mud run yet.

The Birthday Ball is right around the corner too. We will be asking for items for a silent auction so if you have anything you can contribute, please bring it to a meeting or let us know and we will make arrangements to meet and pick it up.

As always, if there is anything the League can do for you, please don't hesitate to ask.

Semper Fi Marines!

Susie
