

Lt Alexander Bonnyman Young Marines

FROM: Unit Commander

TO: Young Marines, Recruits and Parents

18 August 2022

To increase our security at the Boys and Girls Club, the front door will be locked at 0900. We cannot guarantee that an Adult Leader will be at the door after that time. To gain access you will need to ring the doorbell. Young Marines should be in formation by 0900.

An Adult Leader will check all the exterior doors upon arrival to be sure that they are locked and secured. We have found doors propped open on our arrival. Please reinforce the 'buddy system' with your Young Marine.

All Adult Leaders have been issued picture ID badges. They should be worn at Drill and other Young Marine functions.

We have not had any issues. We just want to be sure that our Young Marines are as safe as possible.
