## THE MUD RUN IS BACK FOR ITS 20th RUNNING!!

The Marine Corps Mud Run is a famous annual tradition sponsored by the Marine Corps League. The course is roughly 3 miles of off-road running filled with obstacles, hills and of course mud pits. On September 16, 2023 runners will embark at Melton Hill Lake Park to have fun, build comradery and get dirty. Individual runners, corporate teams, and area high school JROTC units all compete to bring home the gold!

Please consider sponsoring a little OR ALOT to support this annual tradition. Sponsorships of \$250 and above will have their names on the race t-shirts. The Marine Corps League Lt Bonnyman Detachment is a 501(c)(4) non-profit organization committed to supporting fellow Marines and veterans, the Young Marines program, scholarships of veteran's children, The Wounded Warrior Regiment. The Mud Run is our most impactful annual fundraiser. We anticipate 750+ runners.
