See the message below from event coordinator Bill Hall to the Members of the Lt Bonnyman Detachment.

Please coordinate with Rick "Gunny" Freetage, who is the point of contact for members of MCL Detachment 924. (Multiman54@charter.net, 865-364-0949)

=====

Message from Bill Hall, event coordinator (**SEE ATTACHED FLYER**)

We welcome your Detachment to be part of this at your level of ability.

Parking is our biggest concern, both at the start/end, and the two follow-on stops.

Ideally, we would like to have 10–12 Marines.

1). Six to eight to help at the start/end location-Dragon City Resort, (4407 Calderwood Hwy, Maryville, TN 37801)

* 3-4 Marines from 1130-1300

* 3-4 Marines from 1500-1600

2). Three to help with parking at Company Distilling (8351 TN-73 Townsend, TN 37882) from 1300-1400.

3). Three to help with parking at Dream Rides of Tennessee (2725 US 411 S, Maryville, TN 37801) from 1345-1500.

The ride will leave Dragon City around 1300, head to Townsend to arrive around 1330 and depart that location around 1400-1415.

It will then head to Dream Rides and arrive around 1445 and will depart back to

Dragon City around 1530.

It's important to note that times are flexible and fluid. Parking dozens of bikes is time consuming in and of itself. We ask that your Marines just be there when the group arrives until they leave each respective location.

Ideally, over the next few weeks, I'd like to meet with a representative from your Detachment to go over a dry run so that there are no surprises. Probably won't take more than two hours to get spun up.

After that, about a week out, NLT 03 May, I'll catch up with you with any last-minute details of importance to your Marines.

And at the rides commencement, 1600 or so, we will do the 50/50 raffle and donate half of the cash proceedings to your Detachment. We'd like to have your group there for that if possible. Or the very least a representative.

Feel free to ask any questions, or concerns, you may have.

Bill Hall
