

## May 2023

Greetings Marines,

May has been a busy month - and it's not quite over!

The Pistol Match was a great success thanks to Jay and Nappy and all those that made it happen. The Car Show - our first major fundraising event of the year - is in the rear-view mirror. While it wasn't as successful as we hoped (hard to compete with 4-5 groups that decided to have their car shows on the same day!!), we were well organized and had a lot of support from the community in the way of advertising and donations. We made some good contacts and got a couple of membership applications. Thanks to Doug and Doc and all those that came out and helped with the event.

The Rose Program and Stout Memorial will round out the month of May.

Summer is almost here and although our schedule eases up, it's not time to drop out packs. We have the State Convention coming up in June and the National Convention in August. September will be upon us before we know it and it'll be time for the Mud Run.

A reminder about the increase in life membership dues - June 30<sup>th</sup> is right around the corner. Dues double as of 1 July so if you are considering converting to Life membership, now is the time to do it.

Thanks for all that you do!

Semper Fi,

Susie
