Knoxville, TN**

THE MUD RUN IS BACK FOR ITS 21ST RUNNING!!

The Marine Corps Mud Run is a famous annual tradition sponsored by the Marine Corps League. The course is roughly 3 miles of off-road running filled with obstacles, hills, and of course, mud pits. On August 31, 2024 runners will embark at **Montvale Springs Retreat, 4901 Montvale Road, Maryville, TN 37803** to have fun, build comradery and get dirty. Individual runners, corporate teams and area high school JROTC units all compete to bring home the gold!

Please consider sponsoring a little OR ALOT to support this annual tradition. Sponsorships of \$300 and above will have their names on the race t-shirts. The Marine Corps League Lt Bonnyman Detachment is a 501(c)3 non-profit organization committed to supporting fellow Marines and veterans, the Young Marines program, scholarships of veteran's children, and The Wounded Warrior Regiment. The Mud Run is our most impactful annual fundraiser. We anticipate 750+ runners.
